Education: Systems, Practices and Research

22 - 24 August 2019

CHRIST (Deemed to be University) was born out of the educational vision of St Kuriakose Elias Chavara, an educationalist and social reformer of the nineteenth century in South India. He founded the first Catholic indigenous congregation, Carmelites of Mary

Immaculate (CMI) in 1831 which administers CHRIST (Deemed to be University).

Established in 1969 as Christ College, it undertook path breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff. The University Grants Commission conferred Autonomy to Christ College in 2005 and identified it as an Institution with Potential for Excellence in 2006. In 2008, under Section 3 of the UGC Act, 1956, the Ministry of Human Resources Development of the Government of India, declared the institution a Deemed to be University, in the name and style of CHRIST (Deemed to be University). One of the first institutions in India to be accredited in 1998 by the NAAC, and subsequently in 2004 and 2016 CHRIST (Deemed to be University) has the top grade 'A' in the 4-point scale.

The multi-disciplinary University which focuses on teaching, research and service offers Bachelors to Doctoral programmes in Humanities, Social Sciences, Science, Commerce, Management, Engineering, Education and Law to over 18,000 students. The campus is a living example for the harmonious multiculturalism with students from all the states of India and from around 60 different countries. CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published around 200 books in Kannada and in English. A promoter of sports, music and literary activities, it is a nurturing ground for creative excellence.

### School of Education

The School of Education was established in 2006. It strives to promote high academic standards in education, by creating an optimal and enriching learning environment, fostering ongoing professional development thereby contributing effectively to societal needs. The department offers a range of programmes in education:

1. Bachelor of Education
2. Master of Science (Educational Psychology)
3. Master of Arts (Educational Leadership and Management)
4. Master of Philosophy (Education)
5. Doctor of Philosophy (Education)

Value added programmes for overall development are facilitated through Theatre in Education, life skills education, leadership training and communication skills. These programmes encourage students to consider careers and a life mission that integrates educational understanding to life. The School of Education employs innovative programmes to prepare competent, professional teachers and educationalists who will contribute significantly to the field of education and the holistic growth of generations to come. International Baccalaureate has recognised the two year B.Ed programme offered by the School of Education, CHRIST (Deemed to be University) for the award of IB Educator Certificate in Teaching and Learning. The Inaugural of this programme is scheduled on 22 August 2019.

### CEDBEC Commemorating 20 years of the formation of CEDBEC

The Centre has been conceived as an attempt to stimulate and rediscover through experience, the perspectives in education so that individuals and institutions reflect and rediscover themselves and move towards a sustainable progress in the educational arena.

### Background

In order to respond to the fast-changing dynamics of Education at several levels viz; school education, university and teacher education, the School of Education, CHRIST (Deemed to be University) invites your attention in engaging with the new trends that impact learning and scholarship in education. In an attempt to develop quality and excellence, it is essential to explore new and emerging paradigms confronting education system nationally and internationally.

The seminar on Education: Systems, Practices and Research will create a forum for all professionals from the educational institutions to come on a common platform to research and explore creative ideas. The intent is to deliberate from a wide range of experiences to empower the schools, systems and practices currently underway and to explore opportunities to new frontiers of educational practice. It is anticipated that the seminar will cut across boards, best practices, institutions and leadership in exploring a dynamic approach to educational practices as an instrument to transforming the society
